ALD Automotive has reached a new milestone and manages a fleet of more than 900,000 vehicles around the world. This achievement is the result of ALD's strong commitment in customer service and satisfaction.

The subsidiary of the Societe Generale group has already posted a growth of more than 56,000 contracts this year, in line with an average yearly fleet growth of 9% over the last 9 years. With this result, ALD Automotive confirms its position as the second-largest European and third-largest global player in the Full Service Leasing and Fleet Management market. ALD Automotive has the widest geographical coverage, with operations in 37 countries* across four continents, a unique expertise in the BRIC countries and a solid partnership with Wheels, Inc. in North America.

With a growing range of products and services, ALD is committed to offer ever-increasing mobility solutions that are tailor-made to customer needs and local specificities.

In Luxembourg, ALD has ordered more than 3500 cars. This represents a growth of more than 17% for 2011.
